Sub: General Update regarding approval process w.r.t Kavach System (Version 4.0)

Respected Sir/ Madam,

Please find attached an update summarizing the progress as per the latest "Intermediate Safety Assessment Report (Interim Report)." This document outlines satisfactory advancement in quality and safety management practices, completion of the quality audit process, and the current status of safety audit activities for the KAVACH system. The Company will continue to share further developments as the approval process advances.

The above information will also be available on the website of the Company at www.quadrantfuturetek.com.

You are kindly requested to take the same on record.

Thanking You,

Yours faithfully,

For Quadrant Future Tek Limited

Puneet Khurana

Company Secretary & Compliance Officer

ANNEXURE-I

GENERAL UPDATE – PROGRESS ON KAVACH SYSTEM CERTIFICATION

The Company has received an “Intermediate Safety Assessment Report (Interim Report)” from Jodova Technologies Private Limited (“ISA”) w.r.t. QFTL KAVACH - Generic Application for the ongoing ISA certification of its Kavach System (Version 4.0). In terms of the said report, the Independent Safety Assessor (ISA) concluded that the QFTL KAVACH system has demonstrated satisfactory progress in implementing the required quality management and Safety management processes in alignment with applicable CENELEC standards.

Further, the said report also states that the **Quality Audit Process** has been successfully completed by Quadrant Future Tek Limited, and all activities have been closed with positive results as documented in the Quality Audit Report. Also, the **Safety Audit Process** is currently in progress, focussing on verifying the implementation and effectiveness of safety lifecycle activities and their associated evidence.

This is a general business update on its approval process and the Company will keep the investors updated till final approval is received.
